

TRAVEL & ACCOMMODATION CONSENT FORM

Under 18 Participants

Snow Australia contracted athletes and personnel may travel extensively for both training and competition. Snow Australia will source the most suitable travel and accommodation arrangements for athletes and personnel. Snow Australia endeavours to source accommodation where athletes and / or personnel of the same gender will share accommodation. On occasion, availability and / or style of accommodation may be restricted and as such, it may not be practicably possible for same gender share arrangements. In such circumstances, Snow Australia may request athletes and personnel to stay in mixed gender (male and female shared) accommodation (please note: mixed genders will not be allocated a shared bedroom).

Snow Australia will arrange, where possible for persons under the age of 18, to:

- travel / be transported with a group of team members;
- share accommodation with a group of team members who are of the same gender and similar age.

At times, this may not be practicably possible. As such, Snow Australia seeks parent/guardian approval in writing for young persons:

- travel to / from a specific sporting location with only one personnel over the age of 18;
- shared accommodation with team member(s) who may be over the age of 18.
